

# VIII BRAIN TUMOR & Minimally Invasive SPINE SYMPOSIUM 2019

# VIII CONGRESO DE LA SOCIEDAD INTERAMERICANA DE CIRUGIA DE COLUMNA MINIMAMENTE INVASIVA SICCM

## CALL FOR ABSTRACTS

Abstracts on all Neurosurgical related topics and specialty areas are invited for the VIII edition of Brain and Spine Symposium.

**Award:** Best Abstract Presentation will hold a US\$12,000 scholarship for 6 to 12 months of research fellowship in Miami, Florida.  
Hosted by LatinoAmerica Valerio Foundation.

Clinical prospective and retrospective studies, basic sciences, surgical techniques, related technology and challenge case series are welcome.

Abstract submission is via email to: [veronica@jvaleriodm.com](mailto:veronica@jvaleriodm.com)  
Symposium website [www.simposiomiami.com](http://www.simposiomiami.com)

Abstract Submission is Hosted by Federacion Latinoamericana de Neurocirugía (FLANC).  
Best Abstracts will be publish in the Federation Journal.

Please contact scientific committee at address below if you have any queries [veronica@jvaleriodm.com](mailto:veronica@jvaleriodm.com)

### ***Information for Student, Resident, Fellows Presenters***

If you are a medical student, Intern, Resident or Fellow who performed research as an undergraduate, during time off from medical school, or as an elective during medical school, residency or research fellowship then consider presenting a podium or poster at this year's symposium.

If you wish to participate, please send an abstract (title, authors, 1/2 page description) electronically to [veronica@jvaleriodm.com](mailto:veronica@jvaleriodm.com)

**Symposium Award:** Open reception + Symposium + Cadaver Lab fee will be US\$150 for each author from the 50 Best abstracts.  
(A maximum of 2 authors are allowed from each abstract)
